

Luke – August 24, 2014

I want to thank you and your parishioners for taking in and watching over my son, Luke xxxxxx, over this summer while he was conducting his internship in New Jersey. Your presenting him with Christ's love, through the people at your parish, taught Luke that the Church is more than a building & that it is a world-wide community.

Luke is now back in his school dormitory getting ready for classes that start tomorrow. His experiences this summer have helped him greatly by maturing.

At our home parish our rector has been concentrating on focusing us to care for & to show Christ's love to the disenfranchised people in our community. Your shelter sounds like a wonderful example of carrying on Jesus' Good News.

Peace & Thank You,
Luke's folks
